Sub:- Transportation of car on permanent Transfer.

Of late a number of cases have been received in this office claiming transportation of motor car on Permanent Transfer without proper ownership certificate (registration certificate) resulting in the claims being disallowed and consequent representations.

2. The matter has been examined de-novo and it is clarified that the claim for transportation of only one car on permanent transfer can be accepted in audit, subject to submission of ownership certificate of the car either in claimants name or in the name of the spouse, provided the spouse is not a Government servant. Where the spouse is a Government Servant and the claimant wishes to claim reimbursement of transportation of car registered in the spouse's name, the claim may be accompanied with an undertaking that the spouse has not/will not claim reimbursement in respect of such car.
